RE: Approval of Authorization to Set Tax Rates

I am recommending that the Board provide authorization for the superintendent to establish tax rates for 2020-2021.

We are in the process of finalizing calculations for the STAR exemptions with the NYS Office of Real Property Tax Services, which affects the establishment of our tax rate. As in the past, we are seeking superintendent's authority to set the 2020-2021 tax rates, as the deadline for reporting the rates to Monroe County for timely processing of tax bills occurs after the August 10 Board meeting but before the August 24 meeting. An update will be provided at the August 10 meeting on the progress toward confirming STAR calculations.
