RE: Authorization of Cell Phone Amounts

According to Policy #5322, **Use of the District Cell Phone**, an employee-owned cell phone may be used by a District employee to conduct District business as determined by the Superintendent or designee. An annual amount is to be established at the annual organization meeting for this cost.

Our current cell phone plans are budgeted at \$39.99. I am, therefore, recommending that the cell phone amount remain at \$39.99 per month.
