RE: Approval of Waiver of Facility Use Fees for Not-for-Profit Organizations

I recommend that the Board continue to approve waivers of facility use fees for the following not-for-profit organizations who are utilizing District facilities.

Per the Use of School Facilities, Materials, and Equipment Policy (#3280, copy enclosed for reference), not-for-profit organizations are eligible for facility use fee waivers with Board approval and a voter-approved budget. Currently, scouts, senior citizen groups, and parent/teacher groups enjoy this waiver according to the policy and without further Board action. We have a longstanding practice of waiving the fee for Wheatland Recreation, waived fees for the YMCA during 2014-2015 for the operation of their before- and after-school care programs, and extended the fee waiver to the Scottsville Athletic Association during the 2015-2016 school year.
