

Setting up a Parent Schoology Account

Go to <https://www.powerschool.com/classroom/schoology-learning/> to set up your account. Click on the 'Register' button and then select 'PARENT' on the next screen.

On the next page, type in the **Access Code** provided for your student (need the code? Contact Donna Hartley at 889-6232)

A screenshot of the 'Sign up for Schoology' form. The form has a title 'Sign up for Schoology' and a 'Back' link. Below the title is a text input field labeled 'Access Code'. A red arrow points to this field. Below the field is a hint: 'Enter the access code provided by your child's instructor'. At the bottom of the form is a blue 'Continue' button.

Once you have finished signing up for your account, you can select your child by clicking on your name in the upper right corner of the Schoology screen and selecting them from the drop-down menu.

You will be able to see the following:

- Upcoming assignments
- Overdue assignments
- Recent Grades for assignments and quizzes/tests

Remember, however, that all official scores and grades are shown in SchoolTool. Grades in Schoology only reflect assignments done in Schoology.
