Late requests for new residents will be accommodated if requests are received within 30 days of moving into the District. The Transportation Office requires up to 10 days in order to process all late requests. Transportation will not be provided to students who attend private or parochial schools on days when District schools are closed. Also, per New York State Education Law section 3635 if your non-public school is more than 15 miles from your home you will be responsible to transport your child.
