A MESSAGE FROM THE SUPERINTENDENT

Dear Wheatland-Chili Families,

Welcome to the 2023-24 school year! We are looking forward to the many opportunities that lie ahead and all that we will accomplish together this school year.

The Wheatland-Chili Central School District is committed to empowering all individuals to become motivated learners and fostering an authentic, student-centered, inclusive culture where all voices are lifted and valued and all inequitable barriers are removed. The academic, social and emotional success of all our students will continue to be our top priority over the next year.

This calendar will serve as a useful tool for families to keep track of school events. While we strive to be as accurate as possible, the need may arise for dates and times to change. Always check the district website for the most up-to-date event details.

Thank you for your continued support. I look forward to another joyful and productive school year and working with you and your student.

Sincerely,

Lynda Quick, Esq.
Superintendent

Dates and events are correct as of August 2023. Information is subject to change.

For the most up-to-date events, times and locations, visit the online calendar at wheatlandchili.org.

GOVERNANCE AND LEADERSHIP: BOARD OF EDUCATION

As your elected representatives, the **Wheatland-Chili Board of Education** strives to ensure the best possible program for all students at the most reasonable cost. Board members are elected to three-year terms. They are volunteers who serve without pay. Board members are required to follow State law in the provision of an educational program and all other aspects of our district. Members of the **Board of Education** value their role as your representatives, examining issues in education law and policy, and making informed decisions designed to protect students at all times. They oversee district activities through close contact with the Superintendent of Schools and other administrators.

The **Board of Education** meets in the Board Conference Room, Central Office, 13 Beckwith Avenue, according to the schedule listed. The public session begins at 7 p.m. All Board meetings are open to the public and district residents are urged to attend these meetings.

Participation through comments and suggestions is welcome at any time. Written communications can be sent to the Board in care of the Superintendent, Central Office, 13 Beckwith Avenue, Scottsville, NY 14546, or by e-mail to BOE@wheatlandchili.org. A portion of our district's webpage is devoted to **Board of Education** activities. On it you will find the agenda and minutes for all Board meetings. This is one way in which the Board keeps the community informed about its activities and actions.

BOARD OF EDUCATION MEMBERS

James Musshafen,
President
Term Expires: 2024

Shanna Fraser,
Vice President
Term Expires: 2026

Gregory Berl,
Trustee
Term Expires: 2025

Cindy Dawson,
Trustee
Term Expires: 2025

Keith Nicolosi,
Trustee
Term Expires: 2026

Courtney Panek,
Trustee
Term Expires: 2026

Kim Snyder,
Trustee
Term Expires: 2024

BOARD OF EDUCATION PRIORITIES

1. Support **curricular strategies** that ensure equity for all students and create the foundation for life skills and career aspirations.
2. Support an environment of **continuous growth and improvement for all staff.**
3. Ensure the intersections of **inclusion, cultural responsiveness and social and emotional learning** are defined and actively supported across the District.
4. Define the strategy that will sustain the District as a **leader in digital transformation.**
5. Define **sustainable budgeting solutions** that maintain and enhance our present facilities and programs.
6. Provide **opportunities for stakeholder involvement** through effective communication and engagement strategies.

MISSION STATEMENT

The Wheatland-Chili Central School community is committed to academic excellence which empowers all individuals to become motivated learners and challenges them to excel as citizens in a global society.

VALUES

Learning: We believe in providing a world class education for each student.

Character: We expect all to model behaviors of respect, responsibility, trust-worthiness, fairness, caring, and citizenship.

Leadership: We believe in developing and retaining strong leaders.

Environment: We believe it is necessary to have a clean, safe, and healthy environment.

Communication: We believe in maintaining open communications with all stakeholders.

Community/parental involvement: We value the importance of collaborative relationships between the school district and the community.

NEW ENTRANTS

If you are new to the district, please register your children at the Central Office, 13 Beckwith Avenue, as soon as possible. Please contact the District Registrar, Jennifer Adrian, at 889-6268 for more information. Children may begin school in Wheatland-Chili before they actually reside in the district if their parents are in the process of establishing residence in Wheatland-Chili and that process can be verified through records.

School personnel may give your children tests to determine the best classroom placement and courses for them. The school will make arrangements for the transfer of your children's records from their former school after you sign a release form.

Proof of Guardianship:

A student may be eligible to attend the Wheatland-Chili Central School District when his/her legal guardian resides in the school district. Proof of such status is required by the superintendent. Forms can be requested at the Central Office.

CHANGE OF STUDENT STATUS

Change of a student's personal status will be reported to the District Registrar in advance, including:

- Moving (within or out of the district)
- Telephone number change
- Name change (family or individual)
- Temporary residence change due to family emergency

Other situations (extended vacations, trips abroad, etc.) will be reported in advance to the school. Personal information is handled confidentially. Simply notify the principal or school counselor.

PREK AND KINDERGARTEN REGISTRATION

Children who will be 4 years old on or before December 1, 2023 are eligible to enter preK in September 2023.

Children who will be 5 years old on or before December 1, 2023 are eligible to enter kindergarten in September 2023.

Registration information for both grades will be mailed out in the beginning of January with registration appointments to be held the last week of January. You will also be given an appointment for screening in March. An Information Night for incoming kindergarten families will be held in May. The Information Night for PreK will also be held in May. Please check the calendar for specific dates and times.

STUDENT ATTENDANCE

To report a student absence:

BUILDING SCHEDULES

Middle/High School.....	7:35-2:14
School Opens.....	7:25
Elementary School.....	8:45-3:08
School Opens.....	8:30

SCHOOL LUNCH DEPARTMENT

The School Lunch Department offers the national breakfast and lunch program at the elementary and secondary schools. The school lunch fulfills one-third of a child's requirements for calories, protein, vitamins, and minerals. The breakfast program is designed to fulfill one-quarter of a child's nutritional requirements. Clearly, school meals are a benefit to a child's health and ability to learn.

- School meals are subsidized by the state and federal governments. This helps the School District keep the meal price low so that most students are able to participate.
- Additional school meal subsidies are available for families that are determined to be eligible for the Free and/or Reduced Price Meal Program. Applications are available at each school office or by contacting the School Lunch Department at 889-6257. **A new application must be filed each school year.**
- A school meal program announcement, menus, prepaid meal information, and free and/or reduced lunch applications are mailed to all parents in August (included in this calendar.)
- The School Lunch Department has a computerized cashing system. All students have accounts in the system.
- Prepayments may be made into a student's account at **myschoolbucks.com** or at the cafeteria cashier.
- Prepaid money may be used for meals only or meals, milk, and a la carte items at the parent's discretion.

For questions, please contact the School Lunch Department, 889-6257.

2023-2024 PRICES

Elementary School Breakfast.....	\$1.75
Elementary School Lunch.....	\$2.90
Middle/High School Breakfast.....	\$1.75
Middle/High School Lunch.....	\$2.90

STUDENT SERVICES

McKINNEY-VENTO ACT

The McKinney-Vento Act covers youth who don't have a fixed, adequate, and regular nighttime residence. If you lost your housing due to economic hardship and now live doubled-up with family or friends; in a shelter, motel, vehicle, camping ground, or temporary trailer; on the street; or in another type of temporary housing, your child(ren) may be able to receive help through the McKinney-Vento Act. For more information, please contact the PPS Office at 889-6249.

SPECIAL EDUCATION SERVICES

The Wheatland-Chili Central School District offers special services for children with learning, physical, and emotional difficulties which interfere with their ability to learn. No discrimination against any person with a disability will be permitted in any of the programs and practices in the Wheatland-Chili Central School District. The District recognizes its responsibilities under Public Law which require it to identify and evaluate children ages 3-21, and, if a child is determined to be eligible, to provide access to free appropriate educational services.

The Committee on Special Education and Committee on Preschool Special Education are multi-disciplinary district committees which review all student referrals for special education support. Final recommendations are made to the Board of Education. An appeal procedure exists to give due process rights to parents and children. For more information, please contact the Pupil Personnel Services (PPS) office at 889-6249.

COUNSELING

Many young people will need periodic help to deal with the world in which they live. All young people will need help with decisions and planning.

Your child's school counselor is a professional who is trained to deal with both issues. Among other roles, the school counselor assists students in making personal choices and developing long range plans, provides personal counseling, coordinates and interprets students' records and testing, and disseminates information about school offerings, higher education, and careers. Elementary Counseling Department at 889-6953. Middle School Counseling Department at 889-6226. High School Counseling Department at 889-6240.

TRANSPORTATION

Bus transportation is provided for all children.

Safety of students is of prime importance, and parents are urged to be sure their children understand that disorderly behavior is extremely dangerous in a moving vehicle. The bus driver has complete charge of the bus. Drivers will refer serious discipline problems to the school administration for appropriate action. Adequate safety demands orderly behavior on school buses.

All district transportation policies are reviewed annually by the Board of Education and are intended to provide safe and cost effective services.

Special Transportation: Busing is provided for students who attend non-public schools located within 15 miles of the child's home. State law requires that the parents file a written request annually with the district's transportation office prior to April 1. Parents must submit a request for transportation when applying for non-public school enrollment prior to the April 1 deadline, pending acceptance into the non-public school. Requests for transportation to and/or from child care providers must be requested by August 1.

If you have any questions regarding transportation, contact the Transportation Department at 889-6243.

BOCES

BOCES is the abbreviation for Board of Cooperative Educational Services. Wheatland-Chili belongs to Monroe 2-Orleans BOCES, located in nearby Spencerport. High School students have the opportunity to enroll in one of approximately 30 courses at the WEMOCO Career and Technical Center at BOCES. Courses for the development of middle skills are offered in the areas of communication and visual arts, construction, human and public service, information technology, manufacturing, and transportation. Students who attend BOCES spend one-half day in the school classroom at Wheatland-Chili and are transported to BOCES for their career and technical classes.

Additional programs for students such as Career Education Internships and New Visions are also available to our students through BOCES.

CODE OF CONDUCT AND SUPPORT

The District is committed to providing a school environment where students may receive quality educational services without disruption or interference. Responsible behavior by students, district personnel, parents, and other visitors is essential to achieving this goal. It is recognized that a strong instructional program is often the best method for maintaining appropriate behavior. Restorative practices build respect and community, resolve conflicts and repair harm caused by wrongdoing. Discipline and interventions are most effective when they deal directly with the problem at the time and place it occurs, and in a way that students view as fair and impartial. District personnel who interact with students are expected to use disciplinary action only when necessary and to place emphasis on the students' ability to grow in self-discipline. All interventions and consequences will be clear, fair and consistent so as to be effective in changing student behavior. In determining the appropriate action, district personnel will consider the following:

- Student's age and/or development
- Nature of offense and circumstances which led to the offense
- Student's prior disciplinary record
- Effectiveness of other forms of discipline
- Information from parents, teachers and/or others, as appropriate
- Other extenuating circumstances

As a general rule, discipline will be progressive and build student assets. This means that a student's first violation will usually merit a lighter penalty than subsequent violations. If the conduct of a student is related to a disability or suspected disability, the student shall be referred to the Committee on Special Education and discipline, if warranted, shall be administered consistent with the separate requirements of the Code of Conduct and Support for disciplining students with a disability. The full Code of Conduct and Support can be found on the District website.

WORK PERMITS

Work permits are issued from the High School Office, 940 North Road, Scottsville, NY 14546 (889-6235). State Labor Laws governing the employment of minors (under age 18) require the following to issue a permit: parent's permission in writing for the student to work, proof of age, and a certificate of physical fitness.

SCHOOL CLOSINGS

When inclement weather or any other emergency situation forces the closing of schools, the District will post an alert on the District website and automated phone calls, emails and/or text messages will be made to families. The information will also be submitted to local television and radio stations as well as posted on the District's official social media accounts. Please do not telephone the schools. The decision to close schools in weather-related situations will be made no later than 6:15 a.m.

On the rare occasion that it may be necessary to close schools during the day, an announcement will be made as soon as possible through the same communication channels. Should an emergency early dismissal occur, the District will attempt to transport students to their homes in the same manner that they are usually taken home at the close of the school day. If both the elementary and secondary schools must close early, the District will try to dismiss secondary first so that older siblings will be home to care for younger siblings. It is especially important that parents pre-arrange child care in the event that an emergency school closing is necessary. If the pre-arranged child care is at a different site than the child's home, the principal should be notified in advance so that proper transportation can be arranged.

When schools are closed due to weather, all other activities including sports, clubs and adult and continuing education classes will be cancelled for the entire day.

To ensure you receive emergency notifications, please contact the school secretary to confirm that your contact information is up-to-date.

HEALTH SERVICES

School nurses perform a variety of services to help insure the children's health on a daily basis and to help them develop habits beneficial to long term health. Each year, nurses screen students for scoliosis and vision or hearing problems and conduct a general health screening. Our nurses are available to counsel students and parents on health related problems. They are also vital to the District's health education program, working with teachers to help students learn good health habits.

Immunizations: All students are required by law to be immunized against polio, diphtheria, measles, German measles (Rubella), mumps, and meningitis. School districts may not admit students without proof of immunization.

Illness or Injury at School: If your child becomes sick or injured during the school day, you or the person whom you designate will be called. The school nurse will administer first aid if it is needed. If you cannot be reached or if the situation appears to be an emergency, family or school doctors will be called and the student will be taken to the hospital. Your child will not be sent home unless the school can reach you, a neighbor you designate, or another family member who can arrange to be home when the child arrives.

If a student is diagnosed as having a contagious disease or a condition that can be easily spread, the school nurses will notify the parents of students with whom he/she may have been in contact and assist in recommending the necessary treatment. Tutoring services during an extended illness (generally two weeks or longer) may be arranged through the principal's office.

Health Examinations: PreK or Kindergarten, first, third, fifth, seventh, ninth, and eleventh grade students are asked to bring a report of a health examination by their family physician and a dental certificate from their dentist. A report of health examination is also required for those students participating in team sports and club sports (ski club and cheerleading). Parents who are having difficulties complying with this requirement, should reach out to the school's health office as soon as possible for assistance and guidance. For more information:

Elementary School Nurse Julie Seide: 889-6238
Middle/High School Nurse Shelly Palmer: 889-6221

SEX OFFENDERS REGISTRY INFORMATION

Families can visit: criminaljustice.ny.gov/nsor or call 1-800-262-3257 to obtain information about sex offenders residing in their communities.

OPPORTUNITIES FOR PARENTAL INVOLVEMENT

Parents wishing to be involved in their child's school may do so in several ways. The PTA is active and sincerely seeks volunteers for any number of planned activities. The district has a shared decision making team with parent seats available. The Board of Education meets regularly and welcomes parental input and often seeks volunteers to serve on committees studying specific issues. Classroom teachers are eager to accept volunteer assistance in many areas. If you would like to volunteer, please look under "Parental Involvement" on the webpage to fill out an application.

The Wheatland-Chili system recognizes that parents are their child's first teachers and that parents and teachers working together provide the greatest opportunity to assure the success of each child.

HELP KEEP OUR SCHOOLS SAFE!

Safe School Helpline

1-800-418-6423 ext. 359

- When you spot an activity that hurts students or our school, call the Safe School Helpline.
- To report suspected fraud, malfeasance or illegal activities, call the Safe School Helpline.
- All calls are confidential

The **Wheatland-Chili Parent Teacher Association** strives to inspire positive change in our community. To accomplish this, we believe that it is vitally important for our children to see us, as parents and role models, actively involved in their lives by supporting and volunteering in planned activities. In addition, we are committed to supporting the parents, teachers, and role models in their efforts to provide creative learning environments that encourage academic and social growth.

GOVERNANCE: IMPORTANT NOTICES

CIVIL RIGHTS POLICY

The Wheatland-Chili Central School District does not discriminate on the basis of sex, age, race, color, national origin, or handicapping condition in its educational programs, activities, or employment practices. It is the policy of the Board of Education to comply with the regulations listed in Title IX of the 1972 Educational Requirements and Section 504 of the Rehabilitation Act of 1973.

Any member of the Wheatland-Chili Central School District staff or any Wheatland-Chili Central School District pupil or parent believing themselves aggrieved because of discrimination based on sex, age, race, color, national origin, or handicapping condition should be in contact with the Office of Superintendent of Schools.

NON-DISCRIMINATION AND ANTI-HARASSMENT POLICY

The Board of Education affirms its commitment to nondiscrimination and recognizes its responsibility to provide an environment on school property, including school buses, and at school functions, that is free of harassment and intimidation as required by federal and state law. "School property" means in or within any building, structure, athletic playing field, playground, parking lot or land contained within the real property boundary line of a public elementary and secondary school, or in or on a school bus, as defined in Vehicle and Traffic Law Section 142. "School function" means any school-sponsored curricular or extra-curricular event, activity, or trip. Discrimination and harassment are a violation of law and stand in direct opposition to District policy. Therefore, the Board prohibits and condemns all forms of discrimination and harassment by employees, school volunteers, students, and non-employees such as contractors and vendors as well as any third parties who are participating in, observing, or otherwise engaging in activities subject to the supervision and control of the District.

DIGNITY FOR ALL STUDENTS ACT

New York State's Dignity for All Students Act (The Dignity Act) seeks to provide the state's public elementary and secondary school students with a safe and supportive environment free from discrimination, intimidation, taunting, harassment and bullying on school property, a school bus and/or at a school function. In addition, the Dignity Act prohibits harassment, bullying and/or discrimination that occurs off school property where such acts create or would foreseeably create a risk of substantial disruption within the school environment, where it is foreseeable that such acts might reach school property. This also includes cyberbullying, which is defined as harassment or bullying which occurs through any form of electronic communication.

The Dignity Act also requires instruction to expand the concepts of tolerance, respect for others and dignity to include: an awareness and sensitivity to harassment, bullying, discrimination and civility in the relations of people, including but not limited to, different races, weights, national origins, ethnic groups, religions, religious practices, mental or physical abilities, sexual orientations, gender identity and sexes.

In addition, curriculum includes instruction in the safe, responsible use of the Internet and electronic communications. In accordance with the Dignity Act, the District will take necessary steps to address these matters. If you have questions/concerns, please contact your school principal.

STUDENT PRIVACY POLICY

The Protection of Pupil Rights Amendment (PPRA) to the federal Family Educational Rights and Privacy Act (FERPA) affords parents certain rights regarding district surveys, collection and use of information for marketing purposes, and certain physical exams. Parents may exercise their right to excuse their child from participating in any survey created by a third party (before it is distributed to students) and questionnaires intended to collect personal information from students for marketing purposes.

ANNUAL NOTICE OF YOUR RIGHTS CONCERNING STUDENT RECORDS AND INFORMATION

This is to advise you of your rights with respect to the school records relating to your child, or yourself (for students 18 or older) with regard to the Federal Family Educational Rights and Privacy Act of 1974 ("FERPA").

Parents of a student under 18, or a student 18 or older (an "eligible student"), have a right to inspect and review any and all official records, files, and data directly related to their children, or themselves, including all material that is incorporated into each student's cumulative record folder, and intended for school use or to be available to parties outside the school or school system, and specifically including, but not limited to, identifying data, academic work completed, level of achievement (grades, standardized achievement test scores), attendance data, scores on standardized intelligence, aptitude, and psychological tests, interest inventory results, health data, family background information, teacher or counselor ratings and observations, and verified reports of serious recurrent behavior patterns.

A parent of a student under 18 years of age or an eligible student shall make a request for access to a child's (or their own) school records, in writing to school principal (PreK-5) or school counselor (6-

12). Upon receipt of such request, arrangements shall be made to provide access to such records within a reasonable period of time, but in no case no more than fifteen (15) days after the request has been received.

Such parents and students are also entitled to an opportunity for a hearing to challenge the content of such records, to insure that they are not inaccurate, misleading, or otherwise in violation of the privacy or other rights of students, and to provide an opportunity for the correction or deletion of any such inaccurate, misleading, or otherwise inappropriate data contained therein. Any questions concerning the procedures to be followed in requesting such a hearing should be directed to the superintendent of schools.

Student records and any material contained therein, which is personally identifiable, are confidential and may not be released or made available to persons other than parents or eligible students without the written consent of such parents or eligible student. There are a number of exceptions to this rule, such as other school employees and officials, and certain State and Federal officials, who have legitimate educational need for access to such records in the course of their employment.

NOTICE OF RELEASE OF INFORMATION TO MILITARY RECRUITERS

Under the No Child Left Behind Act ("NCLB"), the District (Military Recruiters' Access to Secondary School Students and Information on Students Policy #7243) is required to disclose the names, addresses, and telephone numbers of high school students to military recruiters, subject to the right of parents and students over age 18 ("eligible students") to "opt out" and preclude such disclosure. Parents and eligible students who wish to "opt out" and preclude disclosure must complete an "opt out" form and return the form to the high school principal by October 1 of each school year. The form is included on the District website wheatlandchili.org.

ANNUAL WRITTEN NOTICE REGARDING LIMITED DISCLOSURE OF DIRECTORY INFORMATION

The Family Educational Rights and Privacy Act (FERPA), a federal law, generally requires that the District obtain your written consent prior to disclosing personally identifiable information from your child's/your education records (to persons other than those with a legitimate educational interest). The District may, however, disclose "directory information" for limited purposes without your written consent, unless you have timely advised the District of your decision to opt out of such disclosure(s) in whole or in part.

Directory information is information contained in an education record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. The District defines "directory information" to include only the following:

<input checked="" type="checkbox"/> name	<input checked="" type="checkbox"/> grade level
<input checked="" type="checkbox"/> address	<input checked="" type="checkbox"/> participation in officially recognized activities and sports
<input checked="" type="checkbox"/> telephone listing	<input checked="" type="checkbox"/> honors and awards received
<input checked="" type="checkbox"/> dates of attendance	
<input checked="" type="checkbox"/> photograph/image	

In accordance with FERPA and Board Policy No. 7242, "Limited Disclosure of Student Directory Information," the District's disclosure of directory information will be limited to specific parties and specific purposes only. Specifically, the District will include directory information in certain school publications, such as the yearbook, honor roll and other recognition lists, graduation programs, sports activity sheets, and playbills showing your child's/your role in drama productions in a timely manner and without the necessity for requesting consent in situations in which it is expected that there would be no significant concern about invasion of privacy or any danger or harm from the disclosure. Unless the parent/eligible student opts out, the District will make the disclosure without obtaining consent. The District may also disclose directory information to outside organizations/parties without a parent's/eligible student's prior written consent but only for school-related activities or purposes. Examples of such outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks.

The District shall not disclose directory information in any situation when a risk to student safety, risk of identity theft, or other harm to student(s) is reasonably perceived.

If you do not want the District to disclose any or all of the types of information designated above as directory information from your child's/your education records without your prior written consent, you must notify the District in writing of such decision to opt out in whole or in part. Your written notice must be received by your school principal at 13 Beckwith Avenue (T. J. Connor) or 940 North Road (Middle/High School), on or before October 1. A "Notice of Objection to Release of Limited Student Directory Information" is contained on the District website at wheatlandchili.org for your convenience.

PESTICIDE NOTIFICATION AVAILABLE

In accordance with New York State Education Dept. Law, public schools must provide written notification 48 hrs. in advance of application if required. The District implements integrated pest management; pesticides are only applied upon express authorization of the District.

For information, contact: Diane Stocking, District Clerk, Wheatland-Chili Central School District 13 Beckwith Avenue, Scottsville, NY 14546.

DISTRICT FACILITIES AVAILABLE

The District encourages community use of school facilities when such use is in the public interest, does not conflict with school activities, and is not detrimental to the purpose of schools. Residents, staff members, and community groups can make facility use requests on the District website.

AHERA COMPLIANCE

Asbestos Hazard Emergency Response Act (AHERA) is a federal law enacted in 1987 which requires all school districts to reinspect facilities for asbestos containing building materials.

Our facilities have been inspected and response actions are planned to insure a continued safe environment for our students and employees. Activities include training of maintenance staff to prevent disturbance of asbestos and periodic reinspection and surveillance activities by trained personnel.

Details of such activities are described in the District's AHERA Management Plan which is available for your review in the Central Office.
