January 7, 2013

On June 23, 2013, the young men and women of Wheatland-Chili High School will be graduating. You can reach them all, along with their proud parents, family, and friends, with a warm message of congratulations in their yearbook. This is a great opportunity for you to show support for the students, while advertising your organization.

Our Wildcat Yearbook is made possible solely through the generosity of local organizations like yourself, and we greatly appreciate your past and future support. This year our full color yearbook is even bigger, and our goal is to raise enough revenue through display advertising to keep the cost of the book to parents and students as low as possible.

Please peruse the attached Advertising Order Form to see the many advertising options available, all at a reasonable cost to you. To ensure your place in the yearbook, please return the attached advertising contract with your print ready Ad and payment by February 28, 2013. You may submit your ad electronically by e-mail it to megan_taylor@wheatland.k12.ny.us.

Thank you for helping our students to build an outstanding 2012/2013 Wildcat yearbook.

We all hope that you had a wonderful holiday season!

Very truly yours,

Wheatland-Chili HS Yearbook Staff
