

Academic Excellence: 21st Century Learning Experiences

Jennifer L. Sinsebox
Executive Director of Curriculum and Data Management
November 9, 2015

Wheatland-Chili CSD

Mission and Vision Statement

*The Wheatland-Chili Central School District
community is committed to academic
excellence which empowers all individuals to
become motivated learners and challenges
them to excel as citizens in a global society.*

Curriculum Guiding Principles

- "The three most important questions (in revising curriculum): What do we cut? What do we keep? What do we create?"
- "Mapping is a verb. Having maps won't get you anywhere, using them will ...and they are never finished."

-Heidi Hayes Jacobs

It's About Teaching and Learning

- Office 365
- Book Study
 - *Authentic Learning in a Digital Age*

Questions

"Our students need us to know their experiences over the course of time. They need us to know what's really going on in their daily classes as they move among teachers and subjects. With that information, possibilities emerge."

-Heidi Hayes Jacobs
