

Homework Page Instructions-

One question that frequently comes up in conversations with parents is, “How do I know what my son’s/daughter’s homework is?” Aside from encouraging your child to consistently use their school agenda to write down their assignments, frequently checking teacher homework pages is a very useful tool for monitoring nightly homework. You can access your child’s homework through our district website by following these simple steps:

- 1) From the district main page, select your child’s school from the *Our Schools* drop down menu located in the banner across the top of the page
- 2) Click the *Classroom Pages* tab located in the banner of your child’s school home page
- 3) Find the names of your son’s/daughter’s teachers and click the *add to favorites* button located under each of their names
- 4) Once you have added all of your child’s teachers to your *favorites*, click the *Show* button located at the top of the page
- 5) To view your child’s combined homework page, click the green *Done* button that now should have appeared
- 6) Bookmark the new combined homework page for easy future reference
