Jared performed four assemblies - K-2 and 3-5 at TJ Connor this morning and grades 6-8 and 9-12 this afternoon at the High School.

Jared performed for our Wheatland Chili students for the first time in September of 2018. *He was invited back again this year because his message, his music, his humor, and his passion captivated the students from kindergarten through 12th grade, as well as teachers, administrators, and staff.*

His songs are uplifting, thought provoking and emotionally heartfelt. Students are charmed not only by the music and lyrics, but also by Jared’s humor and the videos that are projected to bring the listener into the songs.

Jared’s focus is to reach the young people of today and encourage them to be truly kind, to never stop dreaming, and to continue pushing forward to living out their purpose with passion!

He reaches students through the power of music with songs he's written *that focus on overcoming obstacles, anti-bullying, respect, leadership and having an amazing outlook on life.*
