Students and Families of the Class of 2020:

This year we have made some changes to the yearbook in order to make the process of submitting information easier for you. Here are a few quick highlights:

1. The high school yearbook can be ordered online through the website Jostens.com and by searching “Wheatland-Chili High School” and then clicking on “2020 Yearbook.” Yearbooks are currently $45, with personalization (i.e. name on the cover) costing extra. The website will add tax to the order at checkout. Your yearbook will be the first ones distributed in early June. The price of the yearbook increases on December 1st to $47, and then on February 1st to $55. Yearbooks cannot be ordered online after April 24th. A limited number of extras are ordered and sold on a first come, first served basis.

2. All Senior information is now available online. Each of the seniors has been invited to a group on Schoology named “Class of 2020 Yearbook.” Basic information is available here. In addition, students may click on the “Resources” tab for a link wherein they can submit their Senior legacy, quote, name, yearbook dedication, etc. By clicking on the albums tab, students may submit candid pictures from a variety of categories. We will also use this group to vote on Senior Superlatives, most likely at some time in December.

3. Senior Pictures can be submitted online as well via three options. First, Senior Pictures can be submitted digitally through the Schoology group by clicking on the albums tab. Second, Senior Pictures can be uploaded to your Office 365 account and then shared with both Scott and Megan Melville. Lastly, your image can be submitted via e-mail to the advisors. This is the less-preferred method, primarily due to the restriction of file size of our e-mails. If you have trouble submitting via one of these avenues, please see Mr. or Mrs. Melville ASAP.

4. Messages from families (a.k.a. baby pictures) are submitted online. Information will be sent home about this process in October. This will be completed through the Jostens website as well.

Deadlines:

1. All Senior information, submitted through Schoology, is due no later than October 31st. If you are not sure if you submitted information or wish to make a change, please see Mr. Melville.

2. All Senior photos are due by November 30th via Schoology, Office 365, or e-mail. Please see Mr. or Mrs. Melville if you cannot meet this deadline. Student that do not submit an image will have their Lifetouch (SchoolTool/ID) image used.

3. The deadline for the lowest price for your yearbook is October 31st. Please order before this date to get the best rate.

If you wish to have your picture taken, but do not have a photographer in mind, the back of this sheet has information for a few reputable photographers in the area.

As always, please see either Mr. or Mrs. Melville if you have any questions or concerns.

Congratulations on reaching your Senior Year!
